According to information prepared by SHA, the Woodrow King House, located at 185 Tobacco Ridge Rd., Prince Frederick vicinity, does not meet any of the National Register Criteria for listing. The simple frame I-house with rear ell and cross gable was probably constructed c. 1900 and does not appear to embody the distinctive characteristics of a type, period or method of construction or possess high artistic value. An extremely common house type in Calvert County and through much of Maryland, this house is nearly identical to the Ozella Mackall House (CT-520). It is not located in any known historic district.

Documentation on the property/district is presented in: Maryland Inventory Form CT-513 and project file
